The cost overruns on Russia's World Cup stadiums are staggering

They have become a symbol of corruption under Putin's rule

Violence, nationalism, politics, footbaal

Moscow's official reaction to the clashes in France al- so raised eyebrows abroad. Vladimir Putin joked about "200 Russian boys," adding that he couldn't understand how they "managed to beat up 10,000 Englishmen." The spokesperson for the Central Investigative Committee, Vladimir Markin, penned an article defending the Russian hooligans. On Twitter, Markin quipped that French cops were unable to handle Russia's football fans because they were too accustomed to policing "gay pride parades."
